**** NEW FOR 2009 ****

Accounting & Auditing Annual Update
Presented by David W. Holt, CPA, CFE

The A&A Update will include recently-issued and prospective FASB and AICPA auditing standards. The BIG TOPICS this year will be:

- How to use the new FASB Codification (effective July 1, 2009)
- The status of International GAAP convergence & IFRS
- Fair Value Measurements (FASB 157)
- Recent FASB Staff Positions addressing fair value accounting
- New AICPA Peer Review guidance + Quality Control Standard # 7

Learning Objective(s):

- To update participants regarding the requirements, effective dates and implementation issues of significant new and proposed accounting and audit standards

The method of presentation is group live instruction and the program level is intermediate. **Prerequisites:** There are no prerequisites for this course nor is there any advanced preparation required.

All cell phones should be silent during presentation. Thank you for respecting this request.

Return completed form with payment to:
